# Welcome

## Thank you for your interest as a Teaching Assistant at SENDSCOPE Independent School.

SENDSCOPE Independent School is a small Special Needs School and Alternative Provision for Neurodivergent young people aged 11 to 15 years.

This is a particularly exciting time for the school as we have recently moved into a new building in September 2025, increased student numbers from 16 to 32 and introduced a KS4 curriculum.

The school's three pillars of *'Diversity, Inclusion, Opportunity'* ensures every student is provided with the opportunity to achieve the best possible outcomes and prepares them for adulthood. The staffing body are fully committed to the students and have an in-depth understanding of the needs of all students.

Leaders at the school have worked hard for the past three years since the school opened to develop a community that works in harmony with one another towards their core goal of improving outcomes and developing happy and healthy young people. The recent focus areas have included strategies to improve attendance and curriculum development, underpinned by the Five Ways to Wellbeing. These areas continue to be core priorities, alongside consolidating a whole school approach to teaching and learning and professional development.

As a growing school, an opportunity has arisen to join our school as a Teaching Assistant.

We are seeking a passionate Teaching Assistant (TA) to join our dedicated team. The successful candidate will play a key role in supporting teaching and learning, and contributing to the holistic development of our learners.

As a Teaching Assistant, you will play a vital role in supporting pupils' learning and development across the school. Working closely with teachers and other staff, you will help deliver engaging lessons, provide one-to-one and small group support, and assist in creating a positive and inclusive classroom environment. You will support pupils with a range of needs, helping them to access the curriculum, build confidence, and achieve their full potential. This role requires patience, enthusiasm, and a genuine commitment to making a difference in the lives of young people.

Whether you are at the start of your career or an expert teaching assistant we focus on what attributes you will bring to the school and most importantly what impact you will have on our students.

With best wishes,

Victoria Nolan

Principal

**The shaping of young people's lives is at the heart of SENDSCOPE, ensuring that they are both academically and emotionally developed, and understand their own self-worth when they leave us. We take pride in ensuring positive outcomes, focusing on social and emotional mental health and wellbeing, at SENDSCOPE, "Every Moment Matters".**

# The School

*An innovative school supporting neurodivergent young people with Special Educational Needs and Disabilities (SEND) to reach their full potential and achieve success. We place young people at the heart of everything we do and know that in the right environment, at the right time, all students have the potential to blossom and thrive. At SENDSCOPE we have an inherent understanding of Teaching and Learning and know-how inclusion, making reasonable adjustments and quality first teaching in the classroom cannot only bridge gaps in learning but facilitate accelerated progress.*

At SENDSCOPE Independent School, we offer a broad and balanced curriculum. It is our aim to develop rounded individuals who are not only academically successful, but who also have opportunities to develop other key skills; such as leadership, teamwork and communication. The school has a comprehensive careers offer and students receive termly careers advice.

The school has adopted a consistent trauma-informed approach which is used in conjunction with high standards, high expectations and clarity of the SENDSCOPE Way. There is a calm and purposeful atmosphere at SENDSCOPE Independent School, with good relationships between staff

and pupils. Pupil voice is strong and proud of the school values of Diversity, Inclusion and Opportunity.

We fully recommend that you take the opportunity to make an informal visit prior to making your application, to see the school for yourself.

If you would like to arrange a visit or require any further information please contact Kimberley Perkins our Administration Officer either by email [k.perkins@sendscope.co.uk](mailto:k.perkins@sendscope.co.uk) or phone **07951 942 587**

**We foster a welcoming and secure environment where young people can develop themselves holistically and therapeutically, focusing on building resilience, effective communication, positive relationships, theory of mind and emotional wellbeing.**
